Dear Sir/Madam,

Namaskar,

It gives me immense pleasure to invite you on occasion of a National Seminar being scheduled on 22nd March, 2025 at VLSM college of Education on the Theme: **"Digital Learning and Technology Integration"**.

Your active participation will be a matter of high appreciation for us

Principal

About VSLM College of Education

VSLM college of education is situated in Kuthar valley surrounded by the lush green and reezy hills of Shimla, Solan and Kasauli. It is 55 K.M. from Shimla 42 K.M. from Nalagarh and 30 K.M from Dharampur. VSLM college is managed by DEV BHOOMI DEVELOPMENT SOCIETY, CHANDI. The Objective of DEV BHOOMI DEVELOPMENT SOCIETY, CHANDI is to establish and run educational Institutions for the promotion of education, particular in the villages of the State. To fulfill its aims and objectives, land on long term lease i.e., 30 years were taken to run only VSLM College of Education ChandI, in the Cherished memory of Late Vaidh Shankar Lal Sharma a Social Activists and Educationist.

The College is running Courses i.e. B.Ed.& D.El.Ed The college aims at imparting lifelong learning and provides learner centric educational process. VSLM College of Education is an educational Institution with a difference where the students are encouraged, rewarded and appreciated for their active involvement in maintaining discipline and organizing other activities required.

About the Seminar

The National Seminar on "Digital Learning and Technology Integration" aims to explore the transformative potential of technology in education. It will bring together educators, policymakers, technology experts, and researchers to discuss how digital tools and platforms can enhance learning experiences, improve student engagement, and create innovative teaching methods. The seminar will focus on the integration of emerging technologies such as Artificial Intelligence, Virtual Reality, and e-learning systems in educational settings. Participants will have the opportunity to share best practices, discuss challenges, and explore the future of digital education in a rapidly evolving world. Through thought-provoking sessions and interactive discussions, the seminar will emphasize the importance of adapting to digital advancements to ensure a more inclusive and effective educational landscape.

Theme: “Digital Learning and Technology Integration”

Note : Subthemes :

1. Digital Literacy for Educators : Best practices and strategies.
2. Using Technology to support Diverse Learning Needs : Strategies and Resources.
3. Digital Equity and Access:Strategies for ensuring all students have opportunity to succeed.
4. Effective Technology Integration for personalised Learning.
5. Leading Technology Integration in schools :Leadership strategies and Vision.
6. Enhancing Student engagement through Gamification and Game -Based Learning.
